Jett

Hello Sandy

I am sorry to be so late getting back in touch with you, but I was out of town last week. However, I will attempt to respond to your questions in the following statements:

1. The correct name of the group is "Young Stars Success Program" (YSSP).
2. The Mission of the "Young Stars Success Program" is to create a cadre of academically and socially successful young males who can serve as role models in the school and community. It is expected that whatever successes these young men have in this program will become guides for a bright and happy future. It is also expected that while these students are participating in this program their attendance and academic progress will improve.
3. I am forwarding you a memo from Rev. Greg Baldwin which list the names of all who will be attending the City Council meeting on February 25, 2003. On that evening the Rev. Baldwin will serve as spokesperson for our group.

Thanks you very much for the invitation.

Lawrence E. Jointer, Ed.D., Director of Pupil Services and founder of YSSP
